Comments:	In reference to the planning application referenced AWDM/0745/24 we write in support of this application. Worthing's Promenade has a full events diary for 2024; including regular markets, fun runs and other participative events, supported by a full range of concessions, operated by local businesses. The large Coastal Observation Wheel, alongside other attractions between Steyne Gardens and the seafront, such as More Radio Live 2024, The Carousel and Bonfire Night fireworks will further enhance the area's appeal for residents and tourists alike. The wheel will also put Worthing on the map as a key destination further encouraging visitors to our town and thus boosting the local economy.

Yours,

Andy Willems
Assistant Director Place & Economy
