Dear Eve Hearsey,

WHAT ANOTHER MONSTROSITY. ANOTHER HOUSE with people watching me eat etc.

WHY BUY A BUNGALOW when you really need a house?

Surely it would be economical, or better, to buy a house and alter as required?

What are OLD PEOPLE meant to live in if there are no more BUNGALOWS?

We certainly don't need stairs. NO WE DO NOT WANT HIGH STOREY FLATS EITHER.

People have no consideration for anyone these days

With TWO MONSTROSITIES it will be like living in a GOLD FISH BOWL.
Would YOU be happy with that???
NO THANK YOU

Come on we were all happy in our bungalows and reasonably quiet area, and happy neighbours.

The back extension seems to be normal these days, at least they are not overlooking, but NO HOUSE PLEASE.

Yours faithfully
