Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	A planning application was summitted by previous owner and council at a meeting asked about question raised by Mr Derek Spears regards overdevelopment of said property. A query was raised to the house planning manager regards overdevelopment of this property but no clear answer was given as he advice council that they did not research passed deployment of previous applications over the 30 years that I have resided opposite 19 Southview Close the the once bungalow has had over 100% increase in its size. I feel with the new proposal goes to far and with the extension and the doorman windows not only does deprive us of our privacy the extension is to close to our property.

Kind regards
