This message was sent from outside Adur & Worthing Councils [Allow sender](#) | [Block sender](#)

Application No.: AWDM/710/26

Site: St Mary's Church Hall, 25 East Street and 1 & 1A New Road, Shoreham-by-Sea

Proposal: Approval of Details Reserved by Conditions 3, 4, 5, 6, 7, 8, 9, 10 and 12 of planning permission AWDM/0082/26.

Local Highway Authority Consultation Response:

The Local Highway Authority has reviewed the submitted details insofar as they relate to highway matters. The submitted cycle parking details are considered acceptable and are capable of encouraging sustainable travel in accordance with the approved development. The submitted site set up/construction management details demonstrate suitable arrangements for the management of construction activities, including contractor parking, loading and unloading, material storage and measures to minimise the impact on the public highway during the construction phase.

The remaining submitted details relate to matters outside the remit of the Highway Authority. Accordingly, the Highway Authority raises **no objection** to the discharge of Conditions 5 and 6 of planning permission AWDM/0082/26.

- The applicant will need to arrange a license with the area highways office for any hoarding that is to be placed on the public highway and may also need to contact the Traffic Regulation Order team at WSCC to commence the process to suspend any on street parking to accommodate this hoarding.
