| Proposal:     | Commercial use of regenerated land, including use as a community green space for recreational and leisure use. Retention of land for biodiversity use. Bore hole for extraction of natural water. Use of land to produce natural green energy, for example solar. Provision of vehicle parking use (including overnight camping use for kite surfers and sea swimmers), 2 x 6m flag poles, provision of food and drink from temporary structures, mobile toilets, shower and baby changing facilities. Two recessed shipping containers for site storage and use. Tree shaded sandpit and tumble-down mound for young children and toddlers to use. Animals to use for entertainment purposes, for example Shetland ponies. A decorative flowerpot boat at site entrance. Bin storage use. A wheeled advertising trailer, measuring approx. 5 metres by 2.5 metres located within the site boundary to promote Worthing, local events and tourism. |

| Comments:            | My comments are: Previous applications on this site were refused by Worthing Council. The land forms part of the Worthing/Ferring Southern Gap and is contrary to the Local Plan. It is precious and not available for development of any |

kind let alone Boring a hole for water and presumably related Pumping Equipment; Parking for many additional vehicles; Advertising; Containers and no doubt Camper Vans that already love this part of seafront would pile in to the nearby area as well. I'm concerned because the applicant has demonstrated a determination to develop this site and I feel won't stop until someone on the Council gives way, perhaps on the Children's Play Area presumably squashed in between the Parking and the Toilets. Children simply love being by the Open Space facilitated by an undeveloped Seafront. Please consider this objection.
