Subject: The Beach Hotel 123 Marine Parade Worthing

Dear Mr Pennicott & Mr Peck,

I am concerned about the amendments under WB/10/0281/FULL
I live at 4 Thorn Road, BN11 3ND so development of the Beach Hotel has significant impact on me. I would like this application to be referred to the Planning Committee for a decision so that my representations may be taken into account. I would like to attend the subsequent meeting and given the opportunity to speak. My concerns include previous decisions, highway safety, design, traffic and parking, overlooking and loss of privacy and light.

Yours sincerely
David McAdam Freud
