Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	with the recent sale of existing Health Authority Land reducing hosptial car parking spaces and the welcome increase in clinics leading to more patients, can the council please review the adequacy of car parking for the outpatients and if necessary rescind temporary planning approval AWDM 1576/13 so that the medical records and hosital radio can be cleared from site to free up the car parking spaces it currently occupies
