We have received notification of a rear and side extension to our neighbours property at 54 Cokeham Road, Sompting, West Sussex BN15OAG.
My neighbour has given me a letter which I have attached an image of and I have replied, also attached.
There is no dispute between us but I wanted to clarify that I have said I want the garden fence to stay in situ.
My neighbour proposes to mount the fence on his new extension wall in the same situ.
This is not what is on the plans we have been given by our neighbour or that I have seen on the planning application.
I just need to be clear that I am happy that my neighbour builds his extension as close to the fence as he likes but that the boundary stays the same.
Thank you
Mrs Carole Spring
56 Cokeham Road
Sompting
West Sussex.
