Subject: Planning application AWDM/0737/26

I am objecting to the above plans for the following reasons.

- 1 The Goring Ferring Gap looks across fields with uninterrupted views up to The Ilex, High Down and the Downs.
- 2 To have all the clutter that is on the planning application including shipping containers would detract from the natural environment.
- 3 Campsite for overnight parking is not required.
- 4 Parking for 150 cars, where is he going to put them.
- 5 He says it will be a safe haven for young children to play, I don't think so, with proposed parking for 150 cars/ campers etc coming and going and a busy Seafront Road how can that possibly be deemed a safe environment.
- 6 An Advertising Trailer 5x2.5metres, this will be a complete eye sore..
- 7 This is The Goring Ferring Gap and should not be used for Commercial any Commercial enterprise.
