Dear sir / Madam.

Please register my objection to the planning application above.

On the grounds of it being unsafe, due to the visibility of cars approaching the access to the planned site.

This is not suitable for traffic coming out.

Nor is it safe for Children who would be playing on the site then deciding to go back onto the beach.

The person making the application claims to have Gorings best interests in his heart,

But I believe he is being used by a much larger developer.

Many thanks for the opportunity to object to this crazy, selfish idea.

Yours Sincerely

Mr Terry Green
