Hi Carlos,

Letter from neighbour seems to be the best solution, should be with you on Monday or Tuesday.

Thanks for your help

Mel

Dear Mel,

Re: Amended design for rear extension at 393 Upper Shoreham Road
Application: ADC/0184/09

In reply to your letter and amended plans dated 6th June.

Unfortunately I have been on leave for two weeks, and have only just had a chance to look at the amendments. Whilst the reduction of the extension on the west side is acceptable, the increase in depth on the east side was not discussed, and would require that we renotify the neighbour (no.391) to inform them of the increase in depth to see if they object. Unfortunately the application expires on the 1st July and there is not a practicable amount of time left to give notice to them.

The options open to you and your cleint are to a) withdraw the application and resubmit as per your revision, b) reduce the west side section of the proposed extension so it is the same length as originally submitted (4.25m), which received no objections from the neighbour to the east or c) notify the neighbour independantly of the proposed increase in depth and get a signed letter saying that they are happy with the proposals.

I would be grateful if you could let me know what you want to do by the beginning of next week if possible.

Kind regards

Carlos Hone.
