CONSTRUCTION WORK AT
108 GREENWAYS CRESCENT,
SHOREHAM-BY-SEA.

Dear Madam.

As suggested by Matthew Porter, in his telephone conversation with us, on Weds. 19th July, we put our concerns in writing.

Firstly the parapet has been removed, leaving our portion exposed.

The overall height of construction has been increased.

the west facing wall should be in brick and not in blocks, as we have now.

These are our three main concerns.

Hoping you can be of some help in this matter.

Yours faithfully
