Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Location: Connaught Avenue, a residential street within the built-up area boundary; not a conservation area, no protected trees, and the property is not listed.

Current Property: Detached hipped roof bungalow with a detached garage (west side).

Surroundings: Bungalows on either side, access road between Nos. 115A and 117, with two-storey houses opposite and to the west.

Adur Local Plan Policy 15: Emphasizes high architectural quality, respect for site character, and positive contribution to the local environment.

Development Management Standard No. 2 (DM2): Provides criteria for extensions and alterations to dwellings.

Assessment and Concerns

Prominent Position: The site is highly visible, especially from the north on approach to the road bend.

Design Concerns: The proposed two-storey extension is considered overly dominant, cramped, and incompatible with neighboring bungalows, particularly due to its stretched appearance and gabled roof design.

Neighbouring Impact: Possible harm to Nos. 115 and 117 due to proximity; windows and doors on No. 117's side wall need assessment. A daylight/sunlight study may be required to evaluate impacts. West-side bathroom window deemed unnecessary.

Flood Risk: The site lies in Flood Zone 2 and is at risk of surface water flooding. A Flood Risk Assessment and drainage scheme consultation are necessary.

Access Concerns: If widening the crossover, consult West Sussex Highways due to proximity to the service road and road bend.

Suggestions

Alternative Proposal: A less dominant design may be acceptable, potentially with:

A hipped roof.

Single-storey extension in the garage's current position.

Additional Studies: Provide a daylight/sunlight study and confirm flood risk details with the Environment Agency.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☒ No
