Description of Proposed Works

Please describe the proposed works

Retrospective planning application for erected 2metre tongue and groove fence with trellis next to residential road enclosing a corner side garden that originally had a 15foot or more overgrown dead hedge encroaching on to the pavement with gaps (and dead fox) but had no fencing to side exposing the house and us to a real security risk from the front and side as new owners to the house. Our main reason has been security for the house by enclosing the side garden. Our neighbours and passing people have all commented on how nice it looks
