

Discharge of Planning Conditions

Photographic Evidence: Bicycle and Bin Storage

Application Number:	AWDM/1265/20
Site Address:	No. 108 [confirm full site address / postcode]
Conditions Addressed:	Condition 7 - Cycle Storage Condition 8 - Refuse/Bin Storage
Purpose of Document:	Photographic evidence demonstrating provision of external bicycle and bin storage in accordance with the above conditions
Photographs Taken:	9 September 2026

The following photographs were taken on site and are provided as evidence that dedicated, enclosed external storage has been provided for bicycles and refuse/recycling bins, in satisfaction of the above-referenced conditions attached to planning permission AWDM/1265/20. The storage unit is sited to the front elevation of the property, secured by a lockable door, and is of sufficient capacity to accommodate the household's cycle(s) and wheeled bin(s).

Photo 1: Front elevation

General view of the front elevation showing the entrance door and the external storage enclosure sited alongside it.

Date taken: 9 September 2026

Photo 2: Storage unit, closed

The lockable external storage unit (Asgard) shown closed and secured, positioned against the front wall of the property.

Date taken: 9 September 2026

Photo 3: Storage unit, open - interior view

Interior view of the storage unit with the door open, showing capacity for bicycles and bins.

Date taken: 9 September 2026

Photo 4: Bin storage in use

The wheeled refuse bin housed within the storage unit, demonstrating its use for bin storage as required by condition.

Date taken: 9 September 2026
