Re; AWDM/0253/15

Dear Madam,

I enclose a copy of a letter I have sent to Mr Beales re his proposed extension.

All my concerns are voiced in this letter and I would please ask you to add this to the planning file.

Thanking you for your help.

Yours faithfully,

Dear Daniel,

I have studied the plans for your proposed extension, it sounds an exciting project for you and your family and I sincerely hope that the venture is successful.

I would like to take this opportunity of pointing out some concerns that I have.

Firstly, the builders must not enter my garden without my prior agreement.

Secondly, no excavations on my property ie., ground works.

Thirdly, my garden must remain secure at all times (the security and safety of my dogs is paramount).

Fourthly, any alterations to my garden caused during this build must be made good at your expense.

Also is it your intension to serve a party wall notice?

If you wish to discuss any of the above further, please do not hesitate to contact me.

Yours sincerely,

[redacted]

P .Bird
