PLANNING SERVICES

Dear Sir,

With reference to the planning
(1) application for Dovecote Mews
Shoreham-by-Sea, W. Sussex
I occupy the property directly
behind it at 23 Normans Court
Downsview. As you no doubt are
aware a similar application
was made for this property
approximately 5 years ago
which was subsequently turned
down, I do not believe that
there has been any change to the
property or surrounding area to
change the original decision.
(2) I am already close and
overlooked by the existing
property and feel the new
extension will make my
position worse.
(3) Also because of the closeness
to my property I feel very
uncomfortable in using my back
garden for my own recreational
purpose.

Yours Occupier.
