WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Adur & Worthing Councils FAO: Amanda Haslett
FROM:	WSCC – Highways Authority
DATE:	26 May 2025
LOCATION:	34 Marine Crescent Worthing BN12 4JF
SUBJECT:	AWDM/0579/25 Proposed widening of existing crossover together with creating a hardstanding over 5m2.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	More Information

It is not clear from the information provided as to what has been agreed previously by WSCC. Further consultation is required with the Highway Steward to confirm width of crossover allowed in this location.

Can the applicant please confirm the width of access proposed. The issue is that widened access points are not normally allowed as they could constitute 2 access points onto the public highway.

An additional response will be provided. However, please formally reconsult with regards to the crossover width.
