Dear Sir/Madam,

I am writing to object to mast ref AWDM/1560/23

The antenna is opposite a nursery and the the children would be considered 'sensitive receptors'.

Brighton City Airport have not signed off on the safety of this proposal, as demonstrated by the applicant's own evidence.

The proposed antenna is in the Shoreham-by-Sea Conservation Area. There are multiple heritage designations within the surrounding area including listed buildings and the Marlipins scheduled monuments.

The proposal would be an eyesore with an unacceptable effect on the neighbourhood's character.
