Dear Mr Gander,

TOWN AND COUNTRY PLANNING ACT 1990
RE: 44 PAVILION ROAD, WORTHING

I refer to your letter and accompanying plans WT/PR/04/A and WT/PR/05/A received 11 September 2008, outlining minor alterations to the approved scheme for 2 dwellings at the rear of the above property permitted under planning permission WB/08/0298/FULL.

On the basis that the alterations to both dwellings relate solely to their internal layout, and would not result in any external changes to the dwellings as approved, my view is that the proposed amendments could be treated as minor amendments to the approved scheme and will not require the submission of a fresh planning application.

I hope these comments are of assistance.

Yours sincerely,

Jo Morin
Principal Planning Officer
