No. 157 Brighton Rd.

⇒ I object to the extension, the length of the wall.

⇒ Concerned over the damage to pathway and flower beds as a result of the demolition of the existing structure.

⇒ The replacement building will block out light and view - being in rd brick rather than white wall.

⇒ The builder emphasised there would be light due to glazed roof. This would not be the case.

⇒ & Issue with soakaways.

Mr. Duncombe.
