Dear Mr Morgan

I give below the comments relating to the applications presented at the meeting of the CAAC on Monday 31st October 2011.

AWDM/0335 and 0336/11 - 17 Heene Terrace

NO OBJECTION - The removal of the spiral staircase etc. would seem to be a welcome improvement.

AWDM/0566/11 - 122 Montague Street

NO OBJECTION to the revised plans for access to first floor flat and entrance to shop.

WB/19/0583/FULL - 103 Heene Road

NO OBJECTION to the antique street lamp on the driveway despite the retrospective aspect of the application.

Yours sincerely

David Lutwyche for Mr Andrew Borley (Chairman WCAAC)
