PROPOSAL: Proposed detached three bed roomed house and two three bed roomed semi detached houses to replace the existing property. (Resubmission of WB/07/1287/FULL)

LOCATION : 27 Ladydell Road Worthing

DATE REGISTERED 28th January 2008

APPLICANT : Mr R West

WORTHING BOROUGH COUNCIL, under the above Act and Order, gives you notice that its decision upon your application described above and in Drawing Nos. 2297-02D and 2297-03D received on 12th March 2008, which accompanied the application, or as subsequently amended prior to consideration, is to

GRANT PERMISSION subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

   Reason: To comply with Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall not commence unless and until a schedule and samples of materials and finishes to be used for the external walls and roof of the proposed building have been submitted to and approved in writing by the Local Planning Authority. Thereafter, the development shall be completed fully in accordance with the agreed materials.

   Reason: In the interests of visual amenity.

Dated : 13th March 2008

Assistant Director (Planning Services)

Note: Your attention is drawn to the notes and advice overleaf.

3. No development shall take place unless and until there has been submitted to and approved in writing by the Local Planning Authority a scheme of hard and soft landscaping, which shall include indications of all existing trees and hedgerows on the land, and details of any to be retained, together with measures for their protection during the course of development. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner. Any trees or plants which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation. All hard landscaping shall be provided prior to the occupation of the development hereby permitted.

   Reason: In the interests of amenity and of the environment of the development.

4. The secondary bedroom windows in the first floor flank walls of the new houses shall be installed in fixed and obscure glazing and retained as such in perpetuity.

   Reason: To prevent overlooking of adjoining houses.

5. No development shall take place unless and until a scheme for the suppression of dust during demolition and construction has been submitted to and agreed in writing by the Local Planning Authority. The scheme as may be agreed shall be implemented throughout the entire course of demolition and construction unless otherwise agreed in writing by the Local Planning Authority.

   Reason: To safeguard the amenities of the occupiers of neighbouring properties.

6. No work for the implementation of the development hereby permitted shall be undertaken on the site on Sundays or on Bank or Public Holidays. On all other days such work shall only be implemented between the hours of 8.00 a.m. and 6.00 p.m. inclusive.

   Reason: To safeguard the amenities of the occupiers of neighbouring properties.

7. No dwelling shall be occupied until the parking spaces and garages shown on the approved plans have been provided and constructed. The parking facilities and garages so provided shall not thereafter be used for any purpose other than the parking and garaging of vehicles.

   Reason: To ensure that adequate provision is made for parking vehicles clear of the highway.

8. The development hereby permitted shall not commence unless and until details of the proposed surface water drainage and means of disposal have been submitted to and approved in writing by the Local Planning Authority. No building shall be occupied until all drainage works have been carried out and completed in accordance with such details as may be approved by the Local Planning Authority.

   Reason: To ensure that the proposed development is satisfactorily drained.

9. No construction work shall be carried out on the site unless and until there is available within the site, provision for the temporary parking of vehicles and the loading and unloading of vehicles associated with the building operations on the site. Details of such provision shall be submitted to and agreed in writing by the Local Planning Authority prior to the commencement of the development. The facilities as may be agreed shall be provided and retained throughout the entire period of construction work on the site.

   Reason: In the interests of highway safety and visual amenity.

10. No development shall be carried out on the site unless and until provision is available within the site, in accordance with details to be submitted to and approved in writing by the Local Planning Authority, to accommodate all temporary contractor's buildings, plant and stacks of materials associated with the development. Such provision as may be agreed shall be retained for these purposes throughout the entire period of construction work on the site.

    Reason: In the interests of highway safety and visual amenity.

11. The development hereby permitted shall not be commenced unless and until details of the sustainable design features of the development and its construction have been submitted to and approved by the Local Planning Authority. Such measures to include energy efficiency in construction and use of building materials; the use of daylight, sunlight and natural air flows to provide heating and ventilation for the building; re-use and recycling of water and rainwater, composting of domestic food and garden waste; use of solar and wind energy and incorporation or utilisation of recycled building materials and excavated material and ecological restoration and enhancement of the site, including provision of bat and bird nesting boxes, as appropriate. The development shall not be built or constructed other than in full accordance with any such approval.

    Reason: To maximise the opportunities for sustainable design in accordance with Worthing Local Plan policies RES1 and RES2 and West Sussex Structure Plan policies DEV1 and ERA2 by improving the energy efficiency of the building and reducing demands on natural resources and waste generation and enhancing wildlife habitats in accordance with West Sussex Structure Plan policy ERA2 and Government guidance in PPS9: Bio- Diversity and Geological conservation; PPG22 Renewable Energy; and PPS10 Planning for Sustainable Waste Management.

12. Notwithstanding the provisions of Classes A, B, C or E of part 1 of Schedule 2 to the Town and Country Planning (General Permitted Development) Order 1995, no extensions or outbuildings shall be carried out without the prior permission of the Local Planning Authority, obtained through the submission of a planning application.

    Reason: To prevent the overdevelopment of the site and to safeguard the living conditions of adjoining properties and visual appearance of the buildings.

13. No development shall take place until details of the screen walls and fences have been submitted to and approved in writing by the Local Planning Authority. No dwelling shall be occupied until such screen walls or fences as may be agreed have been erected.

    Reason: In the interests of amenity.

14. The flint wall, other than the new pedestrian entrance, shall be protected during development and retained thereafter.

    Reason: In the interest of the appearance of the streetscene.

15. Prior to development further information regarding proposed architectural details to reflect adjoining properties, shall be submitted in writing to the Local Planning Authority for approval. Such details as approved shall be constructed prior to occupation and thereafter retained.

    Reason: In the interest of the appearance of the area.
