Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	My residential property backs onto this land and I am concerned about the use of floodlights late at night as well as increased noise levels until late at night. My objection may be resolved by being supplied with a drawing of where the new site is planned and where this is in terms of location to my property. Kind Regards Michelle Bussey
