Commenting on application ADC/0269/09

TOWN & COUNTRY PLANNING ACT 1990

TOWN & COUNTRY PLANNING (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

ADUR & WORTHING CHIEF EXECUTIVES DEPARTMENT 27 JUL

Proposed development
Retention of beach hut-style cabin for storage of kitesurfing safety boat (renewal of SU/24/03)

Location of development to which application relates
Sussex Kite And Surf Centre Safety Boat Cabin Beach Road Shoreham-by-Sea West Sussex

Comments 1. As far as I know no safety boat has been kept in the hut

2. Usually a safety boat is a rib requiring petrol. Petrol should be stored in a concrete building. There is frequent vandalism of beach huts and rarely they are torched. If petrol were stored in the hut there could be a serious blaze possibly damaging local property in Beach Road as well as neighbouring huts.

3. This area of the beach is a bathing beach. It is also a local Nature Reserve. The rescue boat storage would be more sensibly located where Kite Surfing is permitted in a concrete structure if it has an outboard motor

Unless you indicate below you will not be allowed to speak at the Committee meeting:-

I wish to speak on the application at the Committee meeting – **YES / NO**
