4th August 2009

Dear Mr Morgan

ADC/0268/09

Further to my telephone call to you on 28th July 2009 re proposed development of 20 North Road Lancing to an over 18's gaming centre, you will recall I enquired about the opening hours. I then asked how you would enforce the 9pm close when Adur District Council has not been able to monitor and enforce the Naaz Indian Restaurant opening hours in the last nine years?

Enclosed are copies of letters sent to your office concerning this problem. You will notice the one dated 16th August 2001 is addressed to you. I cannot believe that you had no knowledge of the ongoing problem of closing times. Even this Sunday/Monday night 2nd and 3rd August 2009 their doors were banging until 1.45am.

Please put these concerns in your urgent tray and maybe we will soon see results before I have to involve Tim Loughton again.

Yours Faithfully

Mrs M Mitchell
