Subject: RE: ADC/0250/09 Email Consultation

Hello Dawn,
Our observations on this one are as follows:

It would be preferable for units 1, 2 and 3 to have bin cupboards provided at the font edge of the properties to house 2 x 140 litre wheeled bins in each. This would obviate the need for bins to be wheeled any distance by the householder.

Units 4-7 should be provided with 2 x 660litre bins to be housed in the bin store as shown. The road will most likely be too narrow for access by a refuse collection vehicle and we would therefore prefer a service footpath to be provided alongside unit 3 allowing the bin to be brought to the kerbside in Leconfield Road itself. Wheeling bins along the access road is not desirable from a health and safety standpoint.

All bins should be provided at the developer's expense.

Please convey these observations and provide further drawings when complete.

Thanks
Paul
