Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	I have now been informed that the owners of No 15 consulted with their neighbours on either side and modified the plans to suit them. No one has had the courtesy to speak to those living in 64, 66 and 68 Harbour Way, who will have to suffer being overlooked from the first floor terrace and the loss of privacy in the back of our houses and gardens. The double storey house shows large full height double glass doors facing west. This is one more than last time.

Kind regards
