Dear [redacted]

WORTHING SOCIETY CONSULTATION REQUEST

AWDM/0931/23 | 2 SOUTHWOLD HOUSE 13 PARK CRESCENT WORTHING WEST SUSSEX PLANNING APPLICATION - Internal reconfiguration of existing flat with replacement window and door to south eastern elevation in sliding sash timber and solid composite door

Thank you for requesting our comments on the aforementioned Planning Application which concerns a Grade II* Listed Building within the Park Crescent Conservation Area.

The plans relate to the internal reconfiguration of the flat and whilst we have no objection, in principle, we are unable to comment in detail as we have no access to the dwelling. In view of the heritage status of the building, we respectfully suggest that the guidance of the Conservation Officer will be necessary.

I hope this is helpful.

Yours sincerely
