Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	I believe that in this location, right at the heart of Shoreham's conservation and actually facing the church, internally illuminated signage is unnacceptable. This is in keeping with Adur Planning's recent ruling that nearby La Galleria is not allowed to use its illuminated signage, which was installed without planning permission and for which planning permission was denied.
