Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Other - Privacy Light and Noise
Comments:	Not only are we concerned with how its going to look and impact our property value we are also concerned with living so close to more radiation and any risk that may cause. This was not agreed or in plan when we purchased our house. We strongly don't want this built so close to our Home

Kind regards
