Dear Sir
Ref: AWDM/0433/15 - 128 Old Fort Road, Shoreham by Sea, BN43 5HL

Thank you for the notice in regard to the latest amendments that have been submitted to the approved planning application listed above. May I confirm that I have no objection to the addition of cladding.

I am concerned by the addition of large windows on the eastern side - the side overlooking my house. As No 128 is further advanced to the front og the plot on the seaside, the windows will be intrusive and overlooking my bedroom, living room and the garden, I am therefore requesting that these windows have opaque glazed glass.

Yours sincerely,

Elizabeth R. McKinney
Owner/Occupier,
