I would like to add to my objection with the following photographs taken this evening trying to drive to my home at 49 Furze Road. Three cars parked up on the pavement on the north side of furze road inhibiting access. As a previous comment was made objecting to the planning of the micro pub becoming a pub with events. Any emergency vehicle would not be able to access any property tonight. I have a small car and struggled to navigate the irresponsible parking by users of the refreshment rooms this evening.
