WORTHING SOCIETY CONSULTATION RESPONSE

AWDM/0436/25 | FLAT 2, 7 PARK CRESCENT WORTHING WEST SUSSEX BN11 4AH

Application for Listed Building Consent for alterations to internal wall and door location, raising of kitchen and bathroom floors and false ceiling to bathroom (retrospective).

Thank you for requesting our comments in respect of the above application which relates to a Grade II* Listed Building located within the Park Crescent Conservation Area.

I have discussed the alterations with our Heritage Team who consider this is beyond our remit because these changes relate to the internal layout of the building and we have no access.

However, in view of the listed status of this building, we suggest the application is referred to the Design and Conservation Officer for his guidance.

I hope this is helpful.

Yours sincerely,
