This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

I refer to your consultation in respect of the above planning application and would provide the following comments.

AWDM/1434/21, Condition 8 - Construction Environmental Management Plan (CEMP)

The LHA would request that swept path tracking is provided for delivery vehicles which indicates that a lorry can turn within the site, otherwise please provide mitigation measures.

Please raise the above with the applicant and re-consult. Until such time, the LHA are not in a position to provide final comments until we receive the requested information as stated above.

The applicant and Local Planning Authority should be aware that the information provided for this request, might result in the need for further documentation upon resubmission.
