Design and access statement for smoking shelter at the above address

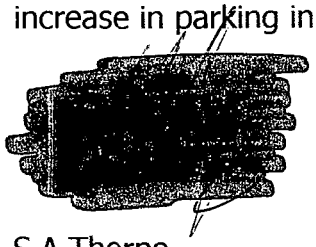

Design

The smoking shelter is an area of 4.2mts long, 2.4mts wide and 2.4mts high, it consists of 7 wooden posts with bearers supporting a corrugated roof discharging into an existing gutter, there is a built in bench seat running along the length of one side, lighting is by means of one switched bulkhead light and one sensor security light.

Location & Access

The shelter is located in the rear yard of the premises and does not affect any access or egress from the building. Access to the shelter is through a door at the rear of the building.

The provision of this shelter is for the comfort of members using the Club and will create no increase in parking in the vicinity.
