Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Highway Access and Parking
- Overdevelopment

Comments: This is a busy junction with other junctions in very close proximity and a pedestrian crossing too, adding new access right on the corner will add another hazard to this already sometimes frantic road layout.
We regularly get small accidents at the entrance to monks avenue and we feel another dwelling here will add to the likely hood of more not to mension the additional vehicles parking outside it
