This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN). As such the comments provided by Local Development should be considered to be advice only, with respect to this planning application.

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available map information.

Upon inspection of the plans, it does not appear that this advertisement display is in a location where it could obstruct the highway.

Provisionally, there would be no highway objection to this advertisement display, providing it does not exceed 1200 cd/m².

In conclusion, there are no highway concerns associated with this proposal.
