Sir/Madam,

My wife and myself oppose the above application.
Our garden wall backs onto the delivery yard!
My family enjoy sitting outside in our garden, especially at week-ends.
For Next to have deliveries 6am to 8pm, 7 days a week is unfair.
We believe the level of noise will be unacceptable.

Thank you for taking the time to read this.
Paul Okines.

Application for variation conditions 3 and 7 of ADC/0389/10
