Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	One of the trees is causing the boundary wall of the property to bulge which is possibly a danger to pedestrians. Buses regularly hit the canopy.. a danger to other traffic/pedestrians when branches fall. As these trees are not deciduous the light entering my house opposite has decreased significantly over the 27 years we have been here. I am in favour of the replacement of the said trees.

Kind regards
