Subject: Re AWDM/1276/13 SOLAR PANELS ON GARAGE ROOF 223 BRIGHTON ROAD

I am writing on behalf of Chris Colborn, 12 The Fairway, Willowbrook Park, Lancing BN15 8QZ

Mr Colbourn objects strongly to the solar panels and even fencing being erected on the aforementioned garage because his wonderful view from his property is totally blighted by the sight of the panels. Fencing would not help becuase it will still be a higher erection above the garage and blocks his view and will look unsightly. When he and his wife sit in the garden and have friends around all they see is a high obstruction and to put fencing panels up would still look unsightly. The solar panels are in direct line to Mr Colbourne's property from lounge and garden.
