Dear Sirs

Order No 162/2/77(2)

Regarding the application for cutting back or removing some Holme Oaks from the property at 41 Mill Road I am somebody who does not oppose this application.
This poor lady is inundated with pigeon poo & debris of an enormous nature a problem. I personally have seen 2 pigeons run down by vehicles

because there are so many up in the trees there. There is no light to this lady's property and she should be able to obtain some light & alleviate some of the pigeon problem. I believe she intends to cut back & prune & also install 2 new trees, and I think her intentions are good and will improve it for all.

Yours sincerely

J A Young

(MRS T. YOUNG)
(of 16 Ring Rd BN15 0QF)
