Application Reference: AWDM/0876/24
Site: Worthing Football Club, Woodside Road, Worthing
Proposal: Vary condition one (approved plans) attached to AWDM/0303/24
Sport England Reference: PA/24/SE/AAW/68132

Thank you for consulting Sport England in respect of the variation of the plans approved pursuant to condition one attached to AWDM/0303/24 for the erection of a new north stand and separate building to provide WCs and food and beverage bar.

Sport England had no objection to the original proposal that was considered to meet exception 2 of our Playing Field Policy, see annex for summary and view in full at www.sportengland.org/playingfieldspolicy

Sport England understands that the variation of drawings relates solely to the drainage scheme beneath the proposed buildings and there would be no impact on the playing pitch or works that might prejudice its use.

Sport England's Position

Given the above, Sport England raises **no objection** to the application because it is considered to remain in accordance with exception 2 of our Playing Fields Policy and paragraph 103 of the NPPF.

If you have any queries, please contact the undersigned.

Yours sincerely,
Jo Edwards
