Dear Ms Barker,

Thank you for your email of last week.

Condition 4 - please find attached a plan showing the location of staff parking, and garage storage for bins, bikes and buggies.

Condition 6 - the play surfacing is mainly mid blue with an inset road way in grey and white, and chequer pattern panel in green and white.

Condition 8 - the current Management Plan is valid and will be updated in six months following full resourcing, development and monitoring of the outdoor area.

Condition 9 – the height of the fencing on the eastern boundary is 2.3m. A manufacturer's specification is not available but samples from three sheets indicate a mass area value of 16.10 to 18.92 kg/m^2.

If you have any further queries or comments do not hesitate to make contact.

Yours sincerely
