3. Description of Proposed Works

Please describe the proposed works:

Our house was built in 1961 and designed by the architect Peter Collymore. It is in the modernist style. The original balcony was replaced in the 1980's in a style not in keeping with the 60's design of the house and incorporated an unauthentic outside spiral staircase. So we want to recreate the original design but utilise modern materials. Our plan is for it to therefore comprise a glass balustrade and reinstate the straight staircase from it into the garden.

Has the work already been started without planning permission? ○ Yes ◉ No
