Ref: Neighbourhood consultation scheme application

To whom it may concern at Development Management,

Please find included the requested notification and details for the above named property with regard to the neighbourhood consultation scheme for permitted development. Building notice has already been sought and paid though the works have not yet commenced while we await for the outcome of this application.

Please advise receipt of this application by means of contact shown within and do not hesitate to contact myself if further details are required.

Yours sincerely,

[redacted]
