Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	The proposed balcony directly overlooks my garden and in to the back of our house. It will give us no privacy in our garden whatsoever. We had no acknowledgement of French doors or balcony being put on the original plans. When people are standing on the balcony they are looking directly into our garden. We feel very intimidated and overlooked. The balcony looks out of character with the close proximity of all the properties around it

Kind regards
