Subject: Objection to Brighton City Airport expansion AWDM/1639/24
To: planning@adur-worthing.gov.uk <planning@adur-worthing.gov.uk>

Hi there

I would like to register an objection to the planned expansion of Brighton City Airport.

The noise from air traffic from the airport is already a scourge on the surrounding area. I live in Steyning, several miles away, and the constant overflight of noisy light aircraft and helicopters resonating through my house is soul-destroying. The airport staff and pilots are utterly indifferent and unprofessional, and certainly couldn't be trusted with operating an expanded airport in a considerate manner.

Invasive noise is a well-documented cause of stress. The airport brings little benefit to the majority of people in the area, yet the negative impact of their operations is experienced by people from hundreds of miles away.

Kind regards

Joe Gilder
