Re: Proposed development at 7, The Meadway, Shoreham-by-Sea

Your ref: amendment to ADC/0076/09

Dear Mr. Barnett,

I would like to register my objection to the above development on the grounds of design and appearance.

I am concerned about the single storey projection at the rear of the building, facing my property. It appears that this design feature would only normally be used for a balcony. I appreciate that use as a balcony is not shown in the plan but I have no doubts that the developer may wish to quietly make alterations in the future.

Therefore, I request that the feature is removed, thus "squaring off" the rear of the house. Alternatively, I would accept that a restriction is placed upon the planning application that change of use to a balcony is not permitted in the future.

The reason for my objection to potential use as a balcony is on the grounds of loss of privacy, as my garden would be directly overlooked.

Regards,
Alan Keates
