## Comments Details

| | |
|---|---|
| **Commenter Type:** | Neighbour |
| **Stance:** | Customer objects to the Planning Application |
| **Reasons for comment:** | - Design<br>- Overdevelopment<br>- Privacy Light and Noise |
| **Comments:** | I have previously objected to application submitted in July last year but this was approved. I am still concerned over my privacy and the over-development of the property. I am also concerned at how long the building work will take as it has not even started following the approval of the July application. Does this get monitored and if so how? |
